

## Bringing the Best to You

### *Lakeview Foundation's Annual Campaign for Health and Wellness*

Our Foundation is committed to support Lakeview Health's mission in providing superior healthcare services through a patient-centered care approach. By giving to Lakeview Foundation:

- **You strengthen the already firm foundation of Lakeview Health.**  
Your investment in us increases our ability of *bringing the best to you* by offering more outpatient care services; emphasizing wellness, fitness and prevention; recognizing of the importance of environment and personalized service in the healing process; and offering the most advanced technologies as they emerge.
- **You support the health and wellness of our community.**  
From childbirth to end-of-life, from joyous occasions to indescribable challenges, we are a steadfast resource for individuals and families throughout the region.
- **You provide access to quality medical care for those who need it most in our community.**  
Approximately 27% of our core market area includes household incomes in the “low- and moderate-household income” category.
- **You entrust your gift to the Lakeview Foundation Board, which includes informed, committed community members and Lakeview Health providers.**  
All gifts to Lakeview Foundation are managed and allocated by our board members who take pride in upholding our legacy of providing the highest quality medical care that is state-of-the-art, competitively priced, and close to where our patients live and work.
- **You receive a tax deduction for your contribution to Lakeview Foundation.**  
Lakeview Foundation is a fully qualified charity under IRS Sections 501(c)3 and 509(a)3.

Following is a current list of giving opportunities:

#### Greatest Needs Fund (Unrestricted)

By designating your gift to the Greatest Needs Fund, donors give Lakeview Foundation the greatest flexibility with the use of their gift. Lakeview Foundation in turn directs it to an area of highest priority, such as facility enhancements, medical technology, patient and family education, or general operating support.

#### Healthcare Access

Gifts to the Healthcare Access fund provide healthcare services (e.g., Diabetes Education, Prescription Assistance) for people who need care regardless of their financial circumstances. Your gift helps offset the costs Lakeview Health assumes annually for providing healthcare services for those who would otherwise go without most in our community.

Together we can make a difference in the health and wellness in our community. Please contact development office at (651) 430-4556 or click on “give now” and make your contribution today.
